

Arithmetic Intensity

A bar chart with a vertical y-axis labeled 'Arithmetic Intensity' and a horizontal x-axis. The y-axis has an upward-pointing arrow. There are two bars: a light gray bar on the left and a dark gray bar on the right. The light gray bar has the value '32.5' written above it, and the dark gray bar has the value '32' written above it. The x-axis labels 'Algorithm' and 'Hardware' are positioned below their respective bars.
